Research and Data

- [Unwanted Fire Alarms](#) by the [Fire Protection Research Foundation](#)
- [Fire Service Deployment: Assessing Community Vulnerability](#): contains relevant information to consider when making decisions about fire department resources in a strained economy.

Special Projects and Programs

- The [Electric Vehicle Safety](#) program provides excellent [free training](#) and [response guide downloads](#).
 - Upcoming [train-the-trainer program](#) Feb 27th, 2012 at the Washington State Fire Training Academy.

Codes and Standards

- The new [Enforcer Funding program](#) covers 80% of the major travel costs of enforcers on technical committees!

Residential Sprinkler Advocacy

- "Like" the State Fire Sprinkler Coalitions on Facebook here: [Washington](#), [Oregon](#), [Idaho](#), [Montana](#).
- [Talk to us](#) about starting a fire sprinkler coalition in your state!

Training and Public Education

- Many of our [educational webinars](#) are now free thanks to sponsors.
- A new [Electrical Safety Tips Sheet](#) is available as a free download.

Wildland Fire and WUI

- Learn more about the [Fire Adapted Communities](#) program in partnership with the US Forest Service.

Special Requests

- NFPA is a non-profit resource organization providing a tremendous amount of information and education for free. Add our website as a link on your page to increase the value of all our organizations! www.nfpa.org
