NOTES:

CHALLENGE

This is a newly constructed residential facility. It's early morning and there are residents inside. Just how many are not known. The winds are high and picking up!

It's Your Call!

DISCUSSION

- What rescue concerns do you have?
- What personnel safety issues come to mind?
- How would you proceed?
- How would you stage?
- Do you need additional resources?
- You are the safety officer, what instructions do you have for your crew?
- What are your concerns as the incident commander?

The greatest asset of the fire service is our people; protect them!
